

MICRO-MIST PREMIUM STEAMER

SKU:1496S

Micro-Mist Steamer is a fully automatic hair steamer featuring the exclusive Anion Negative Ion function and easy to use controls with 5 temperature levels and programmable OR pre-programmed treatment cycles. The Micro-Mist also includes an adjustable-height non-tipping base, over-sized clear tilting hood, water runoff container, and 8' power cord.

Micro-Mist Steamer is a treatment that uses the power of water to penetrate deep into the hair. It swells the hair and enhances any treatments that you have had. The micro mist system has been over a decade in the making.
