

QUAD BARBER ISLAND

SKU:2311-100

This Quad Barber Island is one of the most popular barber stations on the market. The sleek and modern look of this station adds a touch of class, while still being extremely functional for your salon or school. Configured for 4 students to work at once, with a shared sink in-between each side.

Each station also has a built in tool holder and tool hooks so students can safely store their tools and keep them within arms reach while working. A drawer is also included with each station which makes it easier to find additional supplies when needed.
