

CLIENT PROTECTION SHIELD

SKU:CPS.28

Designed to help our customers provide a safer environment during the Covid-19 crises, our client protection shields are a simple way to lessen the chance of viral spread in your salon or spa.

Cut in-house on our precision computer-controlled machinery, these 1/4" acrylic shields slip right together and provide a functional protective barrier right out of the box.

These screens are multi-purposed - use at your front desk for a transaction shield or on your manicure table for a barrier between technician and customer.
