

CLINICIAN ADJUSTABLE LIFT ASSIST BACKREST TABLE

SKU:2067-201

The Clinician manual height adjustment table requires no electricity, making this table more versatile on the locations it can be used.

The Lift Assist Backrest Top with an easy to reach gas cylinder finger control, allows you to easily and quietly adjust the incline of your table. A convenient storage shelf comes standard and provides the perfect place for accessories, lotions, oils or anything you need close at hand. Standard with 4" AeroCel padding, TerraTouch Upholstery and Natural Maple base. Upgraded upholstery and base colors available at additional cost. Cabinet base options available at upgraded cost.
