

S-LOUNGE

SKU:2072-31061

Touch America's S-Lounger offers zero-gravity comfort embellished by a one-piece memory foam cushion. The S-Lounger's position is designed to make you feel weightless, stress-free and energized. Elevating your feet to be at the same level as your heart minimizes the toll gravity takes on your body every day.

The S-Lounger has a linear actuator to electrically adjust the tilt via hand-control. Base in Wenge as pictured only.
