

CIGNO STAINLESS PEDICURE UNIT

SKU:4436S

The Cigno Pedicure Unit with Stainless soaking tub is a perfect combination of European styling, art deco, & retro design. The heavily padded and expertly tailored chairs are just as comfortable and durable as they are gorgeous. This unit features a swiveling chair, making it easier for client entry/exit.

Water supply connections and drain connections can easily be made as long as the stub outs fall within the footprint or back profile of the seat support box. The plumber is responsible for providing the appropriate components and supply lines.

Seat and top may be removed for access to water supply and drain connections.

Note: when the cable-operated drain is installed, there is approximately 5 1/2" below it to connect a trap
