

MID-TOWN STYLING ISLAND

SKU:796-60

Our Mid-Town Styling Island is designed after some of NYC's most prominent skyscrapers in that area of the city.

Made for two back-to-back stylists, the angled ledge and wave mirror add a very eye-catching element. With its sleek lines and Art Deco inspired design, the Mid-Town Station is suitable for any salon or spa.

 Other (Specify) -

Installation Notes:

1. All hardware needed for assembly is included.
2. Large items are preassembled at the factory to ensure proper alignment. Items are then disassembled into manageable sections for shipping purposes and ease of reassembly.
3. Shipping cleats need to be removed before installation. These cleats are installed to prevent damage.
