1 Year:

- All remaining components, unless noted otherwise, are guaranteed for a period of one year from the date of purchase.

Your shipment should arrive as (2) lower cabinets, (1) disassembled double mirror frame, (2) mirrors and (2) glass ledges. Follow the following steps to assemble the island.

1) Assemble the mirror frame by lining up the L/R ends to the filler panel and screw the provided hardware through the "L" brackets into the metal legs on the L/R ends.

2) Place the two stations 30" apart as shown in the diagram. With the mirrors NOT installed, line up the holes in the mirror frame with the holes in the metal frame of the stations and use the supplied connector bolts to secure both sides with the supplied allen wrench.

3) After all components are securely attached, install the mirror clips on the mirror frame using the supplied screws and the pre-drilled holes. To install the mirror, first seat the bottom of the mirror in the clips then raise the upper clips and seat the top of the mirror, once seated lower the clips to hold the mirror in place.
