Use the following procedure to properly assemble and mount the cabinets:

- 1) Follow the procedure in the lower right diagram to remove the breadboard and upper drawer from the lower cabinet assembly.
- 2) Place the lower cabinet assembly as desired against a framed wall. Use the 3" screws and finish washers to attach the cabinet to the wall as illustrated in the above right picture.
- 3) With the lower cabinet now securely in place, carefully lift the upper assembly WITHOUT glass shelves installed and place on top of lower assembly. Pass the provided connector bolts downward through the holes in the upper assembly and into the holes in the lower assembly. Begin threading the female end of the connector bolt and tighten with the supplied 5mm allen wrench.

Cabinets should be attached to wood framed walls by screwing through the interior back panel into wall studs or blocking. Fasteners for wood framed walls are provided. The fasteners for other wall types are not provided.

3" wood screw with
beauty washer

Attaching Cabinet to Wall

To Remove Drawer

Pull the drawer fully open so levers are visible.
Push "down" on the right lever(shown), and "up" on the left lever.
Holding levers in place, pull drawer toward you.

To Reinsert Drawer

Bring ball retainer fully forward and carefully reinsert drawer member slide into the cabinet member slide, guiding the drawer member raceway between the ball bearings.
Completely close drawer.
Open and close drawer to ensure the slide is fully engaged into the ball bearing track.

To Assemble Mirror Frame:

- 1) Unit will ship in 3 pieces (left, right and center panel).
- 2) Use provided screws to attach panel to L/R metal pieces by passing through the "L" brackets that ship attached to the panel.
- 3) Once assembled, screw frame to wall using supplied 3" wood screws and finish washers through the center panel.
- 4) Mirror clips will arrive pre-attached. To install mirror set the lower portion of the mirror into the lower clips then lift the upper clips and seat mirror, finally lower the upper clips to lock the mirror in place.
