

KELSEY WITH SOAKING BASIN

SKU:4438SEDU

The Kelsey Pedicure Unit boasts a spacious soaking basin and convenient side storage. With its sleek and modern design, this built-in luxury unit offers easy access to storage cabinets and ample space for all your supplies. The ladder-style stitched pattern and extra padding add a touch of detail, while the step-up feature allows for simple entry and exit for your clients. Enjoy a truly authentic footbath experience thanks to the large basin that eliminates any concerns about pipes or jets.

Water supply connections and drain connections can easily be made as long as the stub outs fall within the footprint or back profile of the seat support box. The plumber is responsible for providing the appropriate components and supply lines.

Seat cushion may be removed for access to water supply and drain connections.

Note: when the cable-operated drain is installed, there is approximately 5 1/2" below it to connect a trap
