1 Year:

- All remaining components, unless noted otherwise, are guaranteed for a period of one year from the date of purchase.

Note:

One single unit is shown for dimensions and illustrate what is included in the unit price. In practice, configurations almost always use two stations as a minimum. The configurations may be arranged for multiple students limited only by the student spacing and size of the room. The larger configurations are achieved by producing in single, double, and triple length versions. In those situations, the countertops and open shelves are made into longer sections to eliminate seams and redundant countertop supports are deleted. The student spacing will remain unchanged.
