

CLINICIAN MANUAL HYDRAULIC BACKREST TABLE

SKU:2067-200

This non-electric table allows you to make quick height adjustments with a fold away crank handle that easily lifts or lowers your client to the desired height. This is a great choice where electricity is problematic.

The Lift Assist Backrest Top with an easy to reach gas cylinder finger control, allows you to easily and quietly adjust the incline of your table. A convenient storage shelf comes standard and provides the perfect place for accessories, lotions, oils or anything you need close at hand. Standard with 4" AeroCel padding, TerraTouch Upholstery and Natural Maple base. Upgraded upholstery and base colors available at additional cost.
