

CURVA LOUNGER

SKU:2067-700

The Curva Lounger creates the perfect balance between comfort and sociability. The NASA inspired curve and tilt creates an incredibly comfortable position that is enhanced by our cloud soft 4" AeroCel padding system. But knowing that many times people want to interact with their friends Oakworks made sure that the lounger is upright enough to make it easy for conversation. Side shelf and LED lighting are not standard, but can be added for an upgraded cost.
